

# RFX - M008 PROGRAMME WORKSHOP 2008

**13-14 December 2007**  
**Aula Blu - Area della Ricerca - CNR**  
**Padova**

## **FIRST ANNOUNCEMENT**

The meeting is an important step in the preparation of the 2008 RFX-mod experimental programme.

- An overview of the strategic choices for the 2008 programme and of the medium-term challenges will be presented.
- Each Task Force will summarize the contents of the proposals and present a draft selection of programmatic priorities.
- Status reports on general subjects like diagnostics, theory contributions to the experiments, plasma control and engineering issues will be presented.

Workshop Scientific Committee: Rita Lorenzini, Andrea Pizzimenti, Matteo Zuin  
Scientific secretary: Margherita Basso

Please register to the Workshop by sending an e-mail with the subject 'RFX WS REGISTRATION' to [margherita.basso@igi.cnr.it](mailto:margherita.basso@igi.cnr.it)
